A surreal collage featuring a man in a suit sitting on train tracks in the foreground. In the background, there are large, rusted metal cylinders, a statue of a person holding a tablet, a golden cow with an Israeli flag, and a small building with a dome.

6,000,000 figure of Jews from 1936

As early as 1936 the Zionists who originally coined the phrase:

Final Solution of the Jewish Question

**Knew that exactly 6,000,000 European Jews
had 'neither hope nor future'**

**Lord Peel headed the Palestine Royal Commission
now known as the Peel Commission.**

**It was an inquiry set up to recommend future changes to
British Mandate Palestine, it ran during 1936 and 1937.**

On November 25, 1936

**Appearing before the commission was then president of
the Zionist Organisation (since 1960 called the World Zionist Organisation)
Chaim Weizmann**

3 years before the Nazis invaded Poland

**5 years before the Wannsee Conference where the Nazis supposedly finalised
*the Final Solution of the Jewish Question***

not to be confused with the

***Zionist Final Solution of the Jewish Question* from 1897 [details](#)**

Chaim Weizmann stated:

*"It is no exaggeration to say that six million Jews are
sentenced to be imprisoned in this part of the world,
where they are unwanted, and for whom the countries are
divided into those, where they are unwanted, and those,
where they are not admitted."*
